

# Welsh Language Standards Annual Monitoring Report

1 April 2018 - 31 March 2019

## 1. Introduction

The Welsh Language Commissioner issued a Compliance Notice to ColegauCymru on 25 July 2016.

This Compliance Notice outlined the ColegauCymru duty to meet the statutory Welsh Language Standards established by Welsh Government under the Welsh Language (Wales) Measure 2011. This Measure awarded official status to the Welsh language, with an aim for the Welsh language to not be treated less favourably than the English language.

The introduction of the Welsh Language Standards, which is a list of what organisations must do and deliver in Welsh, ensures that those in Wales who wish to live their lives in Welsh can do so. These Standards create Welsh language linguistic freedom to use for individuals in Wales.

As part of the compliance process, the Welsh Language Standards require ColegauCymru to present an Annual Report, in relation to each financial year (April – March), that reflects on adhering to the demands of the Service Delivery, Policy Making and Operational Standards. Provision is also included within the Standards concerning publishing and publicity of the Annual Report. This Report sets out the progress of the organisation towards complying with the Standards between from 1 April 2018 to 31 March 2019.

ColegauCymru believes that it is responding to the Standards in a positive manner. All staff have received Welsh Language Awareness training as part of their induction and their Welsh language ability are self-assessed as part of their roles at ColegauCymru. Regular updates on how to improve working practices accordingly, as well as promoting and facilitating Welsh language use are included as part of our regular communication team briefings.

ColegauCymru is committed to encouraging the whole team to use the Welsh language whatever their ability, creating a bilingual working environment where use of Welsh is welcomed and encouraged. We also support learners and less confident speakers to use the language in a non-judgemental and supportive environment.

## 2. Background

The Standards are a set of legally binding requirements that aim to improve the bilingual service that the people of Wales can expect to receive from a number of public, charity and statutory bodies, including ColegauCymru. ColegauCymru has a responsibility to provide bilingual services, to ensure the Welsh language is not treated any less favourably than the English language.

ColegauCymru is required to comply with the following standards:

- Service Delivery
- Policy Making
- Operational
- Record Keeping

The Standards aim to:

- Make it clear to organisations what their duties are in relation to the Welsh language.
- Make it clear to Welsh speakers about the services they can expect to receive in Welsh.
- Make Welsh language services more consistent and improve their quality.

## 3. Welsh Language Responsibility

The External Affairs Director is responsible for this work across the organisation. Working with the Director of Business Administration, they ensure procedures are in place to help staff understand their roles in assisting ColegauCymru to meet the Standards.

Guidance is available to all staff to assist compliance. The main elements of the guidance notes deal with the practical day-to-day implications of working to meet the Standards, such as how to answer the telephone; how to arrange meetings; and taking participants' language choice into consideration.

Day to day Welsh language compliance matters are managed by the Director of Business and Administration.

## 4. Vision for Welsh Language

The ColegauCymru Welsh Language Scheme is a working document that outlines the organisation's commitment to the Welsh language.

ColegauCymru and the Welsh Language Commissioner have an excellent working relationship that sees them supporting each other in events, guest speaking opportunities, joint publicity and the
